Piping Insulation

SUBCONTRACT NO.

25190-110-FC2-NNP0-00002

Dear Sirs,

The part of the work described and accepted herein constitutes acceptance of all the Work under the Subcontract.

Description of Work:

SUBCONTRACTOR services shall include but not necessarily be limited to the following activities as further defined by the appropriate sections of the Subcontract documents:

- Insulation of piping as listed in Exhibit "D" consisting of heat conservation, cold, process control and personnel protection insulation work.
- Providing materials testing data and documentation for materials procured offsite to be included in the permanent works, and not supplied through CONTRACTOR.

Very truly yours,

16 JUN 08

Craig Ballard

Project Engineer
